

EdgeTech 2017 Training - September 26-28, 2017 Waypoint Center, Fairfield Inn & Suites by Marriott

EdgeTech Announces 2017 Sonar Training Seminar

You're invited to join EdgeTech, the leader in high-resolution sonar imaging systems and underwater technology, as we hold our annual 3-day training seminar near our headquarters in New Bedford, Massachusetts.

Course Content:

This comprehensive course, which includes 2 ½ days of classroom and ½ day at sea, will cover sonar theory, operational training, system maintenance and post-processing data for all the following EdgeTech standard side scan sonar, sub-bottom profiling and combined systems. There will be a half day to introduce the class to our Acoustic Release, USBL and Hosted product line.

- Acoustic Release
- 4125 Side Scan Sonar
- 4200 Side Scan Sonar
- 3100 Sub-bottom Profiler
- 6205 Side Scan/Bathymetry
- 2000 Series Combined Systems

- Deployment & recovery of undersea instruments
- Shallow water side scan sonar operations
- Offshore multifaceted side scan sonar solutions
- Sub-bottom profiling system for various operations
- Combined side scan sonar & bathymetry system
- Combined side scan/ sub-bottom profiler systems

Program Costs: \$995.00 (includes Lunches & Farewell dinner)
Space is limited for this valuable training opportunity; therefore reservations will be accepted on a first-come-first-serve basis.
